4. In April 2011, Emcure Pharmaceuticals Limited (“Emcure”), an Indian company headquartered in Pune, India, acquired 100% of Heritage Holdings Inc. and Heritage became a wholly owned subsidiary of Emcure. For purposes of this declaration, I refer to the period from Emcure’s acquisition of Heritage Pharma Holdings Inc. until August 26, 2016 as the relevant time period.

5. At the time of Emcure's acquisition of Heritage, Emcure operated in the United States through Emcure Pharmaceuticals USA, which became known as Heritage Pharma Labs Inc. ("Heritage Labs").

13. I regularly traveled to India as a part of my day- to-day operation of Heritage. Heritage's Board of Director meetings were regularly held in Pune, India and in

New Jersey. Some members of Emcure's senior management also regularly travelled to the U.S. to meet with me and others at Heritage.

14. I have testified on behalf of Emcure as a Federal Rules of Civil Procedure 30(b)(6) corporate representative, e.g. in *In Re Certain Zoledronic Acid Cases*, D. N.J. 12-cv-03967.
